

for Superfund enhancement activities, \$5 million more for research activities, and \$12 million more for the Agency for Toxic Substances and Disease Registry.

Mr. Speaker, much criticism has been lodged against the operation of the Superfund program since its inception. I think most Members would agree that reforms are needed. However, until the authorization committees are able to reach agreement on what these reforms should be, we should still be trying to do all we can to get Superfund sites cleaned up.

This administration has made good progress in getting Superfund appropriations spent on actual cleanup and not on litigation and administrative costs.

I strongly urge an "aye" vote to keep Superfund moneys flowing at as high a level as possible to clean up as many sites as quickly as we can.

Mr. Speaker, I reserve the balance of my time.

Mr. LEWIS of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I certainly am not going to object to this suggestion by my colleague. By way of commentary, however, I must say that it was at least 15 years ago as a member of this committee I traveled to the northern part of the State of New York, and during that trip I visited a place called Love Canal. At that point in time we knew that the Superfund program had many a problem. The new Administrator indicated to us that this was a program and project that was very, very important but which was broken.

I certainly do hope that between now and the time we go to conference that my colleague will join with me one more time in asking the administration for their suggestion as to how we fix this program, for she has been talking about it publicly a lot, but I have seen no recommendation.

Mr. Speaker, I yield back the balance of my time.

Mr. STOKES. Mr. Speaker, I yield back the balance of my time.

APPOINTMENT OF CONFEREES ON H.R. 2169, DEPARTMENT OF TRANSPORTATION AND RELATED AGENCIES APPROPRIATIONS ACT, 1997

Mr. WOLF. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (H.R. 2169) making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 1998, and for other purposes, with Senate amendments thereto, disagree to the Senate amendments, and agree to the conference asked by the Senate.

MOTION TO INSTRUCT CONFEREES OFFERED BY
MR. SABO

Mr. SABO. Mr. Speaker, I offer a motion to instruct.

The Clerk read as follows:

Mr. SABO moves that in resolving the differences between the House and Senate, the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the bill, H.R. 2169, be instructed to insist on the House position with respect to providing \$200 million for operating assistance under the transit formula grants program.

The SPEAKER pro tempore. The gentleman from Minnesota [Mr. SABO] will be recognized for 30 minutes, and the gentleman from Virginia [Mr. WOLF] will be recognized for 30 minutes.

The Chair recognizes the gentleman from Minnesota [Mr. SABO].

Mr. SABO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I will be brief. This motion simply instructs the conferees to insist on the \$200 million included in the House bill for transit operating assistance.

In my judgment, we have cut operating assistance too much already over the years. Unfortunately, the Senate has no funding for operating assistance, and this motion simply insists that the conferees stay with the decision adopted by the House.

Mr. Speaker, I reserve the balance of my time.

Mr. WOLF. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I share the gentleman's concern with regard to the operating assistance, and wish it could be higher, but I think that \$200 million is certainly the bottom we should go. I think it is a good motion, and we certainly accept it. I commend the gentleman for offering it.

Mr. Speaker, I yield back the balance of my time.

APPOINTMENT OF CONFEREES ON H.R. 2203, ENERGY AND WATER DEVELOPMENT APPROPRIATIONS ACT, 1998

Mr. MCDADE. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (H.R. 2203) making appropriations for energy and water development for the fiscal year ending September 30, 1998 and for other purposes, with a Senate amendment thereto, disagree to the Senate amendment, and agree to the conference asked by the Senate.

MOTION TO INSTRUCT CONFEREES OFFERED BY
MR. FAZIO OF CALIFORNIA

Mr. FAZIO of California. Mr. Speaker, I offer a motion to instruct.

The Clerk read as follows:

Mr. FAZIO of California moves that in resolving the differences between House and Senate, the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the bill, H.R. 2203, be instructed to recede to the Senate on funding levels provided for nonproliferation and arms control programs under the Department of Energy.

The SPEAKER pro tempore. The gentleman from California [Mr. FAZIO] will be recognized for 30 minutes, and the gentleman from Pennsylvania [Mr. MCDADE] will be recognized for 30 minutes.

The Chair recognizes the gentleman from California [Mr. FAZIO].

Mr. FAZIO of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, my reason for offering this motion to instruct conferees is simply that I believe the House would be advised to support the Senate figures on nuclear nonproliferation so we do no damage to our efforts to verify nuclear testing. The research and development account, which is very important to the Department, shows that we have taken a \$20 million reduction in excess of what the Senate provided in this area. It seems to me these are very important funds to meet established milestones for the demonstration and delivery of state-of-the-art nuclear detection technologies.

In addition, the legislation that the House passed could well be determined to be inadequate in terms of funding the Department's threat assessment program, which is a core program which provides for our Government's full capability to assess nuclear-related domestic threats.
